Mr. William Casey, Director  
Central Intelligence Agency  
Langley, VA 23665

Dear Mr. Casey:

I want with this letter to bring to your attention Devin-Adair Publishers Inc. We are the leading publisher of conservative books in the United States, proud of it, and dedicated to building upon that reputation.

Devin-Adair is a 75 year old American firm, with a fairly illustrious history of publishing quality works of non-fiction.

As head of the intelligence apparatus of our country, you may come into contact with individuals with promising ideas or causes which deserve to be publicized. We would be grateful if you would refer Devin-Adair to the best ones as a potential publishing outlet.

We are committed to a stronger defense and military organizations, a free market economic posture and a stronger currency, and to the major issues of the right. We are increasing Devin-Adair's already well known mix of political and national affairs titles. Any assistance that you might give us by referring authors to us would be gratefully received. We are not a large or wealthy firm, but we are experts in promoting specialized books.

I attach a listing of some of the recent book titles. You can easily note the strengths of the authors.

Thank you in advance, Mr. Casey, for thinking of and possibly recommending Devin-Adair when the occasion merits it. We do appreciate it.

Yours cordially,

Roger H. Lourie  
Managing Director
